

OUR MOTTO

# Aspire, Believe and Achieve Together

OUR VALUES

Empathy  
Respect  
Responsibility  
Forgiveness

We encourage everyone to aim high and develop their self-confidence and belief so that they can go anywhere, do anything and become whatever they aspire to become.

We instill high aspirations for all students by working with them to achieve above expectations. We empower our pupils to be lifelong learners by developing their skills and supporting them to make well-informed choices.

Our Christian values underpin everything we do. We work with all of our pupils to develop their resilience and inner strength to overcome life's challenges.

Every person, faith and culture is valued, respected and celebrated in our school community. We offer our pupils a challenging, bespoke and personal experience where they are supported to grow, develop and thrive.

## Contact us, talk to us, visit us. We promise you a warm welcome.

THE KING'S  
CE SCHOOL

Aspire, Believe &  
Achieve Together

# RETHINK THE KING'S

# Welcome to The King's

**At The King's we are a uniquely friendly and supportive school with an excellent team of dedicated and supportive staff. We build a positive relationship with our students where the values of empathy, respect, responsibility and forgiveness underpin all areas of school life.**

We believe that everyone is unique and created in God's image. We encourage all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits. We deliver personal and academic development in a unified, respectful and harmonious school community.

We are a school where pupils are given the confidence and capacity to flourish in a multi-faith community because of our distinctively Christian values.

We believe in setting high standards for everyone connected to the school through our motto of '**Aspire, Believe and Achieve Together**'.

We encourage everyone to aim high and to **achieve beyond what they ever thought was possible**. Most importantly, everyone associated with the school is part of one team, working together for the benefit of all.

The King's CE School is one of the most improved secondary schools in Wolverhampton and is an exciting and inspirational place to study. Please come and see for yourself, I look forward to meeting you and showing you around.

**Miss Joy Langley**  
-Interim Principal

**Our most recent Church School inspection recognised that pastoral support is exceptional and staff go well beyond what is required.**

## THE KING'S CONFIDENCE

**Through our taught, enriched and experienced curriculum from year 7 through to year 13, we endeavour to make sure that each one of our pupils will leave The King's:**

- As secure, contented, confident, empathetic and resilient young leaders with a drive to journey in faith without limits to succeed in their aspirational career ambitions.
- With the skills, passion, ability, knowledge and wisdom to transform their own lives and the local, national and international communities they will live in.
- With a breadth of knowledge to inspire lifelong learning and discovery to fulfil their God-given potential.

### FAITH WITHOUT LIMITS

We encourage all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits, within a unified, respectful and harmonious community.

We respect the richness and diversity of everyone in our school community. We respect and celebrate all other religions whilst expecting all of our students to take part in the school's celebrations of key Christian events and this includes attendance at local churches. We believe that these events are at the core of what makes our school community unique.

### AN INSPIRATIONAL ENVIRONMENT

All pupils benefit greatly from our excellent resources and facilities, our new building which enables innovation and an embedded culture of learning beyond the classroom.

Our swimming pool, sports centre, technology suites, innovative learning spaces and lecture theatre are second to none. These, along with the excellent relationships that exist between all members of the school community, are what make our school a special place in which to learn.

## Confidence to achieve

**We inspire everyone to aim high and develop the belief and self-confidence to go anywhere, do anything and become whatever they aspire to become.**

### KEY STAGE 3

We deliver a differentiated curriculum providing appropriate challenge and flexibility to meet the needs of all our students.

All students study the core subjects of English, Mathematics and Science as well as a wide range of other subjects including a foreign language, Art, Technology, History, Geography, ICT, Music, RE and Drama.

### KEY STAGE 4

At Key Stage 4 we provide pupils with the chance to follow a broad and balanced curriculum, offering a wide range of qualifications and experiences.

We have excellent links with a range of partner organisations from business and industry, ensuring our students have access to a wide range of careers programmes and workplace experience.

### POST 16

We are delighted that the majority of our students remain with us in our Sixth Form. We offer a comprehensive range of traditional A Level, vocational and applied courses.

We work closely with a range of top universities and have a proven track record of our students going on to study at Oxbridge and other great universities as well as securing high quality apprenticeships.

### KINGS CURRICULUM

The continuum of the taught curriculum, blurring of the key stages, builds on prior learning, concepts and knowledge. It ensures every learner gains the core skills in numeracy and literacy whilst securing time to explore the full breadth of creative, technology, scientific and humanity subjects. There are opportunities to specialise and personalise the curriculum through curriculum pathways, interventions and option subjects to ensure the needs, interests, career ambitions of each individual pupil are met.

The enriched curriculum allows every pupil to be courageous, grow in confidence and develop through the vast range of leadership roles, performing and competing within the Inter house sporting and Eisteddfod competitions as well as representing the school in local and national competitions.

**Ofsted tells us that our Principal has brought ambition and drive to the school.**
