Y11 BTEC Sport	Tuesday and Thursday	1.10pm-1.40pm	2.9	BCU

Year 11 Focus Evening

It was lovely to welcome Y11 parents & carers to our Y11 Focus Evening last night- a great opportunity to review targets, talk post-16 options and share some fantastic food!

Sports Hall Athletics

12 Pupils represented The King's C of E School on Monday for the Sports Hall Athletics at Aldersley, pupils showed excellent determination in all events and worked as a team continuously.

The events were split into field and track in which the pupils organised themselves for who would be the best representative for each specific event. It was brilliant to see the teams come together in the last event of 4X100 relay where pupils had to communicate with each other for a smooth transition and encourage one another when running. Well done to all involved!

Miss Key

6th Form Marketplace

On Thursday our year 11 students all attended the Sixth form market place. They had the opportunity to browse the full range of fantastic course we are offering within our sixth form here at The King's as well as to talk to subject leads and our current sixth form students. Our sixth form here at The King's is a brilliant place to study, our courses are carefully selected to excite and engage and the pastoral care provided is second to none. Our staff and students already know each other really well, and this enables lessons to provide both support and challenge for all and for our students to feel valued and respected– it really is a fantastic place to learn. The afternoon was really successful, all year 11's engaged fully with the support available and enjoyed the chance to discuss subjects and courses with current year 12 and 13 students. Careers advice and guidance was provided by our Independent Careers advisor Carol, as well as a representative from Juniper training. It was wonderful to speak to so many of them who are excited to stay with us next year and to continue their education within our sixth form.

We received many applications on the day however, the application forms can also be downloaded from the school website [admissions](#) and returned to Mr Wust or Mrs Buckle.

Miss Arnold.

SWITCH
**#POWERING
#POTENTIAL**

FREE EVENING SESSIONS

#NOCAP

STARTING
TUESDAY 11TH JANUARY @ 5.30PM

#NOCAP is a safe space for girls aged 13-16 to meet together and develop trusting and positive friendships. It will provide a weekly opportunity for the group to socialise with one another, develop life skills, understand self-worth, body positivity, safe relationships and encourage improved confidence & self-esteem.

Delivered by experienced female practitioners, each weekly session will be held at the Switch Centre and involve a range of activities that are fun, inclusive and supportive for everyone.

Art Workshop

Year 11 and 6th form Artists enjoyed an art workshop hosted by Wolverhampton University Thursday morning. They created some wonderful photomontage and collage work, whilst learning about surrealist and pop artists such as Robert Rauschenberg. Students used found materials such as magazines and scrap paper. They came up with interesting concepts and themes behind their work; highlighting climate issues, hope and positivity for the future and representing their identities. Well done to all the students involved!

From the Chaplain....

As we continue to follow the story of David from the Old Testament, we have heard this week of his close friendship with Jonathan, in which Jonathan was willing to stand up for David against the unjustified wrath and jealousy of his own dad, King Saul. Reflecting on this we have heard other amazing stories of loyalty during the week, as well as some quite personal accounts. It has become clear that the bond of friendship can run very deep and motivate extraordinary acts of generosity and of loyalty. I wonder what difference it has made in our own lives to have a friend there who we could rely on in times of trouble or difficulty?

The art of letter writing is something which seems to have almost disappeared over the last couple of decades, but in my early adulthood, whilst living and travelling abroad and a long way from home, letters from friends and family made a huge difference to me. Despite the excitement of living abroad, the feeling of freedom and independence, there were certainly times when living a long way from those who knew me best and spoke the same language as me (literally) was a very lonely experience. It made my day to receive letters from friends and it was even more wonderful when some of them made the long journey out to visit me. As they say, 'A friend in need is a friend indeed!'

Even without that contact from home, I was struck by the welcome I received as a foreigner in another country. People who didn't know me often went out of their way to share a kind word or even to invite me to eat with them. The feeling of being a long way from my comfort zone and the kindness of strangers who went out of their way to make me feel welcome was an experience which has stayed with me. Every day we encounter and pass by people who are feeling isolated. I wonder what we can do to offer a word of friendship to someone who needs to know they are not alone today?

As we follow the story of David we consider the blessing of having a loyal friend.

Next week's Theme for Worship

Protected by God

(David escapes)

1 Samuel 21

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
