Newsletter 24 Friday 17th March 2023

Dear Parents and Carers

We had a shortened newsletter last week due to the unusual end to week that was caused by the inclement weather. The priority for our school is the safety and well-being of its students and staff and this was at the forefront of our thinking when we made the decision on both days. The short and sudden heavy snow fall made travelling conditions dangerous, and the site was well covered in snow also, as shown by some of the images of the site last Friday. Closing the school is never an easy decision, or one taken lightly, and I thank parents for their support on both days.

Whilst the week ended in unexpected fashion, the start of last week saw National careers week; a samosa and cake sale for our Lent appeal and Fairtrade fortnight; a 6th Form memorial football match and a group of our female students participating in a football event at Aldersley Leisure Village.

This week, we have had the pleasure of welcoming our new intake for September 2023 into school for our Year 6 Welcome evening. It was lovely to meet so many families and begin the first step on the journey into secondary education, showing our prospective Year 7s what we offer here that makes us such a fantastic school community.

The Year 11 and 13 PPE exams come to a conclusion this week and would like to congratulate them on their conduct and approach to the exam schedule. They have appeared to be very focused and much hard work and revision has been evident throughout. This period marks the start of a very important period of time in the run up to the summer exams starting and we wish to do everything we can to support them through this time.

As we approach Easter, next week we host our annual Choirs in Reflection concert at 6pm on Thursday 23<sup>rd</sup> March before our end of term Easter Services on Thursday 30<sup>th</sup> March, and as always parents are warmly invited to both events. Next week we also host a careers fayre for Year 11, which should be a fantastic event and parents are invited to experience it from 4pm on Wednesday 22<sup>nd</sup> March.

Kind regards

Mr Parry

Vice-Principal

To everyone at The Kings School,

You've paid a great tribute to Mrs Wendy Hill

Thank you very much to everyone at The Kings School, for taking part in the Macmillan Coffee Morning and raising £245.88, in memory of Mrs Wendy Hill. We'd like you to know how much we appreciate the fact that you've chosen to support Macmillan at this time. We hope it will be of some comfort to know that your generous gift will allow us to continue to help people with cancer live life as fully as they can, providing physical, financial and emotional support.

Your donation is special

Your support helps go towards things like funding more nurses and therapists to help people through cancer treatment. It means we can provide more information and support centres that offer free and confidential advice and also support us in our campaigns to improve cancer care.

I hope you think this will provide a fitting tribute to the memory of Mrs Hill.

Thank you once again for being a part of team Macmillan. We couldn't do it without you.

With best wishes,

*H Fraser*

## Important information for Yr 11 Parents & Carers

Dear Parent/Carer,

I would like to invite you to attend the **Year 11 Careers Fair on Wednesday 22nd March, 4pm-6pm and Year 11 Parents' Evening on Wednesday 29th March 2023, 4.30pm-7.30pm.**

These are both very important dates in the school calendar for Year 11 pupils and provides an opportunity for you and your child to meet with post-16 providers such as apprenticeships, universities and colleges, and meet with subject teachers to discuss their progress and attainment ahead of the forthcoming GCSE Examinations.

**Pupils will be receiving their PPE results during the parents evening and therefore your attendance is essential** as the results will provide the foundation for your face-to-face progress conversations, where subject teachers will discuss how best pupils can prepare for their GCSE examinations next term. The Examinations Manager will be available to address any queries parents/carers may have.

We are keen to work closely with parents/carers to support and secure the best outcomes for every child in Year 11 and your attendance at the Parents' Evening is critical in ensuring we work together to ensure your child makes as much progress as possible throughout the next few months.

Please complete and return the parental response form you will have received via email, to confirm attendance at both events and tick which parent evening appointment slot is most suitable for you, by no later than Monday 20th March. We will share appointment times via email and provide your child with a hard copy.

The school will be offering transport by school minibus to and from Whitmore Reans. Please tick on the reply slip to book a place on the minibus and we will contact you directly about the arrangements. Please also indicate on the reply slip if you would like translator support and if so, in which language.

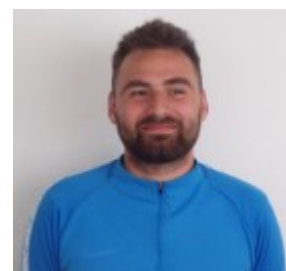

If you are unable to attend or have any queries, please feel free to contact me and I will arrange an appointment to meet with you. My email is [l.gain@kingswolverhampton.co.uk](mailto:l.gain@kingswolverhampton.co.uk).

I would like to thank you for your ongoing support and look forward to meeting you.

Yours sincerely,

Mr L Gain

Head of Year 11.

## Easter Celebration

Thursday 23<sup>rd</sup> March 2023

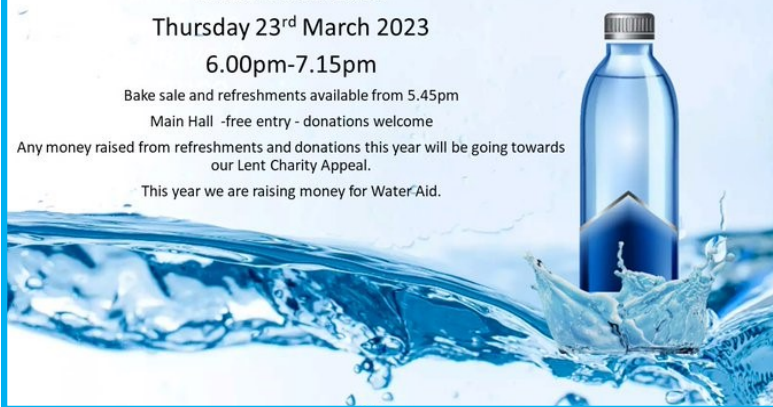

6.00pm-7.15pm

Bake sale and refreshments available from 5.45pm

Main Hall -free entry - donations welcome

Any money raised from refreshments and donations this year will be going towards our Lent Charity Appeal.

This year we are raising money for WaterAid.

## Well Done 7N1!

Well done to 7N1, who have produced some excellent artwork based on their Architecture project for this half term!

## Auditions the first week back after Easter!

### Auditions

Tuesday 18<sup>th</sup>

April

2023

Lunchtime!

G5

Open to everyone.....

Please see  
Mrs McAllister  
for more  
information

Miss Ball

Teacher of Art.

## British Science Week

As part of British Science Week, the British Science Association is running a poster competition on the theme of 'Connections'. Students have the opportunity to think about their personal experience of connections or how connections impact the world around us.

Posters must be A4 or A3 size and any creative materials can be used such as pens, paints, crayons, felt, wool, foil, modelling clay and more!

The judges will be looking for:

**Creativity in approach**—innovative angle on the content or creative interpretation of the theme;

**Content**—clear, accurate and informative about a STEM topic;

**Effective communication**—presented and communicated in an engaging way.

Posters can be entered on the British Science Week [website](#). The deadline is 31st March 2023 and there are lots of exciting prizes up for grabs!

Good Luck!

## Wednesday 22<sup>nd</sup> March Careers Fair and Student Finance Evening 12 pm to 6 pm

There will be representatives from universities, colleges, apprenticeships and employers to help all students in years 7 to 13 and their parents to think about their future career, ask questions and gain further information to guide them to make informed decisions. The careers fair is open to parents from 4.00 pm.

At 5.30 pm, there will be a student finance talk so that students and parents can find out about funding options for university.

This is a fantastic opportunity to gain information and advice regarding future career paths.

## From the Chaplain....

'We have been made right, in God's sight, by faith' asserts Saint Paul in his letter to the church in Rome, our school text for this week. And when we consider what that means, it is life-changing.

On several occasions I have met people who have told me: 'God can't possibly love me.' People who bear a heavy burden of guilt for their past actions. People who feel defined by their mistakes and unlovable or undeserving as a result. The Christian hope and joy stems from a belief that we will not be judged on our actions in this life, but on whether we put our trust in God's promise to us and in his abundant grace. We recognise that none of us have lived up to God's high standards... all of us have fallen short at times; and yet day by day, God gives us the opportunity to have the slate wiped clean and to return into full relationship with him, pure in his sight. Isn't it amazing to think that the God of eternity, who created the whole universe, cares enough about each one of us to make that offer? Indeed, enough to take our guilt and our punishment on himself in order that he might restore us into a loving relationship with him? Because God doesn't want us to go through life weighed down by guilt and feeling unworthy. God wants us to be able to enjoy life in all its fullness; to laugh and to weep, to love, to be creative and to flourish.

Does this mean that our actions and the choices we make don't matter to God? Of course not. If we have faith in him and accept his great love for us then we will want to be involved in what he is doing and become the people he created us to be. And his work is all about restoration and renewal of life.

As we look around us in the world and in our communities we might ask ourselves where we can see God at work. Where can we see life being renewed, the relationships being mended, the environment being restored? And then, we might ask ourselves: how can we join in?

*'But they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint.'* Isaiah 40:31

Almighty God,

Revealed to Christians as Father, Son & Holy Spirit: We

praise you for the gift of this new day.

We pause to remember those less fortunate than

ourselves and those in need of prayer...

We ask you to bless and guide us now, that we may

learn to love and love to learn throughout this day.

Amen

## The Theme for Worship w.c 20th March 2023

### Last Supper

Matthew 26: 17-30

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
