Reflection

On Monday all staff and students came together at 12.40pm via TEAMS to reflect on the events of 9/11.

Prayer and reflection was led by our Chaplain, Mrs Kudlacik.

Macmillan Coffee Morning

As a school we try to support a range of charities as part of our vision to 'transform the lives of others'

Our first event will be on Friday 24th September, where we will be raising funds for Macmillan Cancer Support a charity which is very dear to our hearts, following the deaths earlier this year of Mrs Hill and Mrs Grewal.

We will be holding a cake sale at break time and staff will be doing a 5k run at lunchtime. The sixth form charity committee will be running the events. We do hope that you will be able to support our fundraising event.

From the Chaplain....

Mark 1:35 Very early the next morning, long before daylight, Jesus got up and left the house. He went out of the town to a lonely place, where he prayed.

When we read the gospel stories about the crowds who followed Jesus around, demanding his attention in the form of miracles, healing, teaching and advice, we can imagine how exhausting his life must have been. Coming back to school after the holidays and being in busy classrooms or offices with people asking for our attention, deadlines to meet, lost equipment to find and friendship disputes to settle might help us to empathise with him a bit. So, this week's reading is a useful reminder of the importance of making time to step back from the immediacy of our busy days and allowing ourselves to reflect on what is truly important.

There are several accounts of Jesus choosing to go up a hill to pray at dawn. There is something quite special about hilltops because they physically distance us and give us a viewpoint from where we can observe the 'bigger picture'. Likewise, it is often while people are on holiday, having stepped away from the busyness of daily life, that they find the time to reflect and make life-changing decisions.

We started our week by pausing to remember the events of 9/11, twenty years ago. For many people the impetus to pray, to seek to connect with something bigger and more powerful than our physical selves, comes at a time when our daily routines are interrupted by a traumatic event, which puts everything suddenly into a very different perspective.

Those who pray regularly often notice a change in their prayers over the years. I leave you with this quote from Mother Teresa to ponder.

"I used to pray that God would feed the hungry, or do this or that, but now I pray that he will guide me to do whatever I'm supposed to do, what I can do. I used to pray for answers, but now I'm praying for strength. I used to believe that prayer changes things, but now I know that prayer changes us and we change things."

Wishing you all a peaceful weekend.

Words to remember this week:

Wait for the Lord; be strong, and let your heart take courage; wait for the LORD

Psalm 27:14

Next Week's Theme for Worship

Acts 12: 5-16

What difference does it make?

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
