

Dear Parents and Carers

We are absorbing the news of the death of our Queen Elizabeth and join with the whole world in our sadness. At the start of this period of mourning, we have taken to come together as a school community to comfort one another and to give thanks for extraordinary life and service of the Queen.

Over the coming days we will be making further arrangements for us to come together as a school community to pay tribute and add our condolences to our late Queen who gave her life in service for others. She has been ever present and our wise constant throughout the years.

We pray:

Gracious God,

we give thanks for the life of your servant Queen Elizabeth,

for her faith and her dedication to duty.

Bless our nation as we mourn her death and

may her example continue to inspire us,

through Jesus Christ our Lord.

Amen.

The first week of the new school year has gone very well and it has been good to welcome our pupils back and also our new year 7 and year 12 pupils joining our school community. It was also good to see many of you at last night's information evening.

Every pupil was given a year group handbook this week. This contains key information for their year group including an overview of the topics they will be studying in each subject, the key performance indicators that they will be assessed against as well, the key dates for the year including trips and exam weeks. Please do look through this with your child.

Yours sincerely

Proposed Waiting Restrictions on Regis Road.

There is still time to send in a response to the City of Wolverhampton consultation on the parking and waiting times in Regis Road. The link to the consultation on the city's website is [here](#).

We are concerned that the changes will dramatically impact our parents for dropping off and picking up their children.

What is of greater concern to us is the speed of cars down Regis Road, especially the minibuses. Therefore we would like to see a 20mph speed limit imposed and speed bumps too.

If you can help support us, please do email a response.

Aspire, Believe and Achieve Together

Newsletter 1 Friday 9th September 2022

From the Chaplain....

This week we have welcomed back one another and our new colleagues and pupils and we have been considering what it means to belong and be known as we have reflected on the words of Psalm 139 together. David, who started out life as a shepherd boy but rose to become the best-known King of Israel, clearly had a very personal and intimate relationship with God in which he recognised God's total knowledge of his innermost thoughts and complete care for him throughout his life.

'Even before I speak, you already know what I will say...your knowledge of me is too deep, it is beyond my understanding', he says. There is comfort in being so deeply loved and understood., though there are also things about ourselves we would choose not to share with others, because they scare us or we find them painful or embarrassing. But we were not created to live in isolation; we were created as relational beings. Opening our hearts to loving other people and to being loved by them does leave us vulnerable to being hurt, to having our hearts broken from time to time, but the alternative is an unbearable loneliness. God's promise to us is that he loves us deeply, no matter what, and that he will never abandon us.

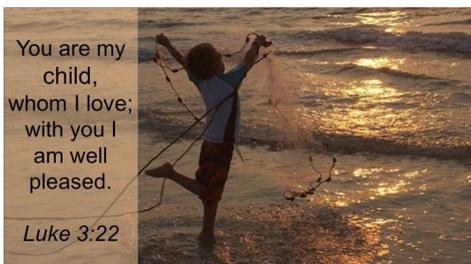

Last night we heard the sad news that our Queen, Elizabeth, had died at home in Balmoral; and this morning we gathered as a school to remember her. The Queen has been a constant presence throughout our lives as with quiet dignity she has served her people through decades of change and at times unprecedented upheaval. She has shown loyalty, discretion, wisdom in counsel and integrity in her untiring work. And whilst being almost universally recognised and known by millions of people, very few will have known her really well. The life of a monarch must surely be a very lonely one. We are thankful that Queen Elizabeth knew the love and deep friendship of Prince Philip and we know that her faith in God was a great encouragement and a source of strength and inspiration to her throughout her life.

Loving God,

We give you thanks for the new school year and for the new opportunities it will offer for learning, for growth, and for friendship. We thank you also for the life and service of Queen Elizabeth, for her faith in you and for her loyal service to her people. We ask your guidance for our nation and for the Commonwealth and your comfort for all those who mourn her today and in the weeks to come.

Amen

As we welcome our pupils back to school this week we remember that each one is precious and deeply loved by God.
