HAPPY NEW YEAR

CLASS OF 22-23 YEAR 11 AND 13 PRESENTATION EVENING

Well done to everyone who won an award for either 'outstanding progress in a particular subject area' or 'excellent contribution to the wider life of our school'!

MESSAGE FROM MR PARRY

Happy New Year! It has been wonderful welcoming our students back to St Regis after the Christmas break. The Autumn term was long but very successful here at school and we achieved so much: launching our new St Regis uniform expectations, the first term of a combined Sixth Form with St Peters and offering our students a wide range of wonderful educational visits, experiences and opportunities.

As we move into the Spring term, we will continue with our focus on raising expectations and standards at the Academy: continuing to promote students to be dressed in correct uniform and remaining in their lessons for the duration.

This week, it was fantastic to welcome last years Year 11 and Year 13 students in our annual Presentation Evening. It is always a special opportunity for students, parents and staff to come together to celebrate all of the hard work and achievements of our young people.

Our major roof improvement project continues to operate smoothly, with several sections of the roof nearing completion. I will continue to keep you updated with the progress of this multi-million pound project and look forward to announcing the successful completion of this project later this year.

From the Chaplain...

Christmas is packed away!

**The Magi arrive and Christmas is packed away in a shoebox:
fragile snowflakes lie alongside stars
and Mary protects her precious child
from the oversized woolly bee in a Santa hat.**

**The donkey is wrapped up tight in a paper towel
to avoid his head falling off again like last year and
the lid is balanced on top and all are still
as they are lifted high on a shelf to bide their time.**

**And I will go back to work and back to routine,
back to the busyness which threatens to squeeze out
the wonder and the possibility of miracles:
our creator born in human flesh.**

**The Magi arrive and kneel in awe as they perceive
hidden in the ordinary, wrapped up in the mundane
in a toddler child in a far-off town, a precious gift
of joy and hope for all people and all time.**

**And will my eyes stay open to discern
my God at work on earth throughout the year?
Will he break through the day-to-day routine
to bless me and delight me if I do?
Will I then gaze at him and treasure him
as did those visitors of yesteryear?
And can I nurture him, as Mary did,
that he might live and grow and work right here?**

Happy New Year to you all!

**May God bless you this year, as he did the Magi:
with a desire to seek him, wherever you find yourselves throughout the year,
with minds open to seeing him at work in the people around you
and with the courage to join in when he calls you to get involved. Amen**
