The King's CE School is one of the most improved secondary schools in Wolverhampton and is an exciting and inspirational place to work and study - please come and see for yourself, I look forward to meeting you and showing you around.

Miss Joy Langley
-Interim Principal

A school united by a shared vision, clear values, and a warm welcome.

Here at The King's, our vision and values are guided by a deeply rooted church school ethos.

We are a uniquely friendly and supportive school with an excellent team of staff. Our Christian values of empathy, respect, responsibility and forgiveness underpin all areas of school life.

We encourage everyone to aim high and develop their self-confidence and belief so that they can go anywhere, do anything and become whatever they aspire to become.

Contact us, talk to us, visit us.
We promise you a warm welcome.

Shrek The Musical

Yesterday The Kings Musical Theatre group went to the Wolverhampton Grand Theatre to see the musical production of Shrek.

The students loved the show and really enjoyed the acting, singing, costumes and set. The students that attended represented the school fantastically and we look forward to the next theatre trip.

Black History Month

October is Black History Month. This national celebration aims to promote and celebrate Black contributions to British society, and to foster an understanding of Black history in general.

Originally, Black History Month (BHM) was marked every February, the month being chosen because of the birthdays of both Frederick Douglass the African American social reformer and Abraham Lincoln, the president who 'freed' the slaves.

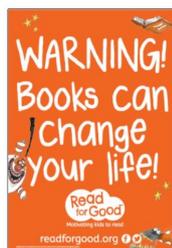

Throughout this month teachers will be sharing resources with students, giving them an opportunity to ask questions and share their thoughts and ideas.

Read for Good Readathon

The 'Read for Good Readathon' will be open for all Y7 students from Monday 3rd October until the 30th October. All sponsorship money will be collected during the first English lesson back after half term.

If you have any further questions, please speak to Mrs Yeomans.

Football News

A record number of 43 pupils attended football on Monday and Thursday this week. Pupils have shown great talent and perseverance ahead of a fixture against The Grammar School on Monday.

The teamwork and respect were exceptional as pupils supported one another to help to perform to a high standard. Since the Euro's we have seen an influx of girls attending football which is brilliant to see the passion and determination they have developed for the game.

Well done to All!

Miss Key

PE Department

HSBC Bank

On Monday a team from HSBC visited the maths team and gave a talk to all our year 7/8 pupils on fraud. The pupils were taught about how to protect their PIN, not to share their details with strangers and spot fraud activities like Phishing, Smishing and Vishing.

Thank you to Raj, Lee and Ashore for a fantastic presentation, and to Mrs Larbi for organising the event.

Cross Country News

Congratulations to our champion cross country runners Richie Yr 9, and Angelica Yr 10 who finished in 4th and 6th of their categories, a fantastic achievement! Well done!

catch 22 COUNTY LINES
 SUPPORT AND RESCUE

Catch22's Support & Rescue Service offers 121 specialist support to young people who are criminally exploited through County Lines. In addition to this the service will rescue young people who reside in the priority areas but are found out of area. This service is available 7 days per week between the hours of 09.00 and 22.00

In order for a young person to be eligible for rescue they must be:

- Aged under 25
- Resident of Greater Manchester, Merseyside, London or the West Midlands
- Found in an exploitative situation relating to County Lines.

Please click on or scan the QR code to complete a short referral form to arrange a rescue.

October Half Term

Following the success of the Yo! Wolves events over the summer, the City of Wolverhampton Council has lined up a packed programme of events and activities for youngsters and their families throughout the October half-term. Many of them are free and include food, with something for everyone from sports activities and arts and crafts, music and dance workshops.

There will also be plenty of opportunities for children and young people with special educational needs and disabilities ranging from creative activities, outdoor adventures, canal boat trips to den building.

The full programme of events and activities is available on the Yo! Wolves website www.yowolves.co.uk

Year 11 Parent's Evening

I would like to invite you to attend the Year 11 Parents' Evening on Wednesday 19th October 2022, 4.30pm-7.30pm. This is a very important date in the school calendar as it is a critical time in Year 11 and is the opportunity to meet subject teachers to discuss your son/daughter's progress and attainment ahead of the forthcoming PrePublic Examinations in November. As part of the face-to-face progress conversations, subject teachers will discuss how best pupils can prepare for their GCSE examinations. The most recent Interim Report will be available to collect and there will also be the opportunity to meet with Senior Leaders and myself. A sample of revision guides will be on display along with order forms to place orders if required. May I take this opportunity to inform you that the deadline for The King's Sixth Form applications is the 16th December 2022. The application form will be emailed to pupils and will be available on the school's website too.

Please click [here](#) for full copy of the letter accompanying Parent's Evening and reply slip.

If you are unable to attend or have any queries, please feel free to contact me and I will arrange an appointment to meet with you. My email is l.gain@kingswolverhampton.co.uk

Year 13 Parent's Evening

I would like to invite you to attend the Year 13 Parents' Evening on Wednesday 19th October 2022, 4.30pm-7.30pm. This is a very important date in the school calendar as it is a critical time in Year 13 and is the opportunity to meet subject teachers to discuss your son/daughter's progress and attainment ahead of the forthcoming PrePublic Examinations in November. As part of the progress conversations teachers will discuss how best pupils can prepare for their A' level and BTEC examinations. The most recent Interim Report will be available to collect and there will also be the opportunity to meet with Senior Leaders and myself.

We are keen to work closely with Parents/Carers to support and secure the best outcomes for every student in Year 13 and your attendance at the Parents' Evening is critical in ensuring we work together to ensure your child makes as much progress as possible throughout the next few months.

Please click [here](#) for full copy of the letter accompanying Parent's Evening and reply slip.

If you are unable to attend or have any queries, please feel free to contact me and I will arrange an appointment to meet with you. My email is c.wust@kingswolverhampton.co.uk

Aspire, Believe and Achieve Together

Newsletter 5 Friday 7th October 2022

From the Chaplain....

'Bees make honey, but what is the point of wasps?' I have sometimes heard people ask. And I myself have gone into the garden to find a crop of young seedlings has been devoured overnight and wondered 'What is the point of slugs?' But I am assured that both wasps and slugs and indeed every other creature and plant, however tiny, plays an important role in ecology and is depended on by other species. Our lives would be poorer without them.

Our reflections this week have been based on the assertion that we were created to be unique, each one with unique gifts and talents to be used for the benefit of others. This includes material gifts, and over this fortnight we are bringing gifts of food for our harvest appeal, to be donated to foodbanks in the city. None of us knows when we ourselves might need the support of others, and we are aware that there are more people than ever needing a helping hand with their bills or with feeding their families at the moment. But it also includes our skills, our experience and our personal qualities... some of which we develop or discover later in our lives. In the parable of the talents, in fact, those servants who used their talents grew and developed more, but the servant who hid his talent had it taken from him.

So what is it that causes us to hide our talents at times, or what puts us off from trying new things and potentially discovering talents? Perhaps it is simple humility: we don't want to draw attention to ourselves and feel uncomfortable promoting ourselves. In teenagers there is often such a strong desire to fit in and not stand out that it can lead many to keeping quiet about the skills and qualities they possess.

In his first letter to the Corinthians, the apostle Paul said that each person was like a part of a body and in order for them to flourish, each one was needed. Each has a unique role to play in the health and well-being of the whole of society. Let us be open to noticing, celebrating and encouraging the gifts in those people around us and let us be generous in using and sharing our own gifts for the benefit of all. But let us also remember that we were not created to live in isolation, and that there are times too when we should be gracious in accepting the help and encouragement offered by other people.

We consider this week the unique gifts each of us has been given to grow and to share.

The Theme for Worship w.c 10th October

Created to flourish

John 15:1-9

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
