HOUSE TOTALS THIS WEEK

"Be joyful. Grow to maturity. Encourage each other. Live in harmony and peace. Then the God of love and peace will be with you." 2 Corinthians 13:14

Remembrance Service

On Friday 11th November at 10.45am The King's CE School community stood together for an Act of Remembrance led by Reverend Charles Thomas to remember those who have lost their lives in wars and conflicts around the world.

The act of remembrance was outstanding - a very special occasion for all of us and an amazing experience for our pupils to be part of.

Kings CE School Act of Remembrance 11.11.2022

We meet in the presence of God. We commit ourselves to work in persistence and faith for reconciliation between nations, that all people may, together, live in freedom, justice and peace.

We pray for all who in bereavement, disability and pain continue to suffer the consequences of fighting and terror.

Hear these words of Scripture:

"Blessed are the Peacemakers, for they will be called children of God." Matthew 5:9

"And God will wipe away all tears from their eyes, and there will be no more death, suffering, crying or pain." Revelation 21:4

Will you strive for all that makes for peace? We will.

Will you seek to heal the wounds of war? We will.

Will you work for a just future for all humanity? We will.

We Pray

Merciful God, we offer to you the fears in us that have not yet been cast out by love.

May we accept the hope you have placed in the hearts of all people, And live lives of justice, courage and mercy; through Jesus Christ our risen Redeemer. Amen.

Now let us remember before God, and commend to his safe keeping, those who have died for their country, to war,

those whom we knew, and whose memory we treasure; and all who have lived and died in the service of the peoples of the world.

Wreaths are laid

They shall not grow old as we that are left grow old: age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, we will remember them. We will remember them.

The Last Post is sounded

2 minutes silence

The Reveille is sounded

The Dedication

When you go home, tell them of us and say, We will remember them.

The Blessing

God grant to the living grace, to the departed rest, to the Church, the King, the Commonwealth and all people, unity, peace and concord, and to us and all God's servants, life everlasting. And the blessing of God Almighty, Father, Son, and Holy Spirit be with you all and remain with you always. Amen.

The National Anthem

God save our gracious King long live our noble King. God save the King! Send him victorious, happy and glorious, long to reign over us: God save the King.

Thank you to Nathan from Year 8 for playing the last post!

Well Done Nathan!

Our remembrance wreath has been made from painted poppies, made by our year 7 and 8 students in their Art lessons.

Thank you to those students involved.

Year 8 Art

We have had some excellent Art homework submissions from Year 8. They have created artwork of influential and inspiring people as part of Black History Month, building on their portraiture classwork. Well done!

Creative Zone News.....

The Year 9 boys took part in a great Dodgeball tournament at Highfields on Tuesday. Winning the two out of four matches, they showed great determination against teams from other schools who were predominately Year 10. After a discussion of tactics, the boys changed their strategy in order to move quicker around the court and throw at the same time to build their confidence. Well done to all involved!

The Year 10 football team on Monday played excellent in their league match against the Moreton school. The first half was all about us attacking, but just couldn't get past their goalkeeper. The second half was a little more challenging with them starting to attacking more too. It was a disappointing score of 0-0 as we were certainly the stronger team. Well done to all involved!

The Year 11,12, & 13 boys competed in the 3v3 Wolverhampton City Basketball Tournament on Thursday evening. The ability level was unbelievable with some amazing basketball being played from all schools. Unfortunately, we didn't make it through to the semi-finals but the boys showed great determination throughout. Well Done!

Well done to all Mrs Buckle's swimming groups this week who have worked extremely hard on their backstroke technique! Well done!

Dear All

Re: Harvest Festival Donations 2022

Thank you so much for your generous support during this year's Harvest Festival season. The amount of food/toiletries donated by your school totalled 78kg

Your support at Harvest Festival time makes a huge difference in enabling us to support a growing number of people in need. Here is a recent thank you we have received from someone who now donated to us, having received support in the past:

I had food parcels a long time ago for myself and 3 small children, it was a life saver for us. Thank you for all you do, keep up the good work. God bless you all x

We recently passed the 100,000 person we have provided food & toiletries to since we started in 2006. This is not something we celebrate, except to be so thankful to God for your partnership which will continue to enable us to support many more who have financial struggles.

In giving hope to others through your great generosity, may you in return, know the love, joy and peace that comes from Jesus, the source of all hope and a certain future.

If you wish to know more about our work, or would like to know how you can support us in other ways, do connect with us via our website, where you can sign up to our newsletter and link to our Social Media pages: www.thewellwolverhampton.co.uk

God Bless You

National Justice Museum Visit

On Thursday 10th November, pupils from Year 10 spent a fantastic day out at the National Justice Museum in Nottingham.

The museum has won numerous awards and occupies the location of Nottingham's Old Shire Hall and County Gaol.

From as far back as the 1300s, to as recently as the late twentieth century, thieves, murderers, revolutionaries, highwaymen, Luddites, Reform Bill Rioters, striking miners and the Great Train Robbers have been tried in the courts, roamed the corridors and occupied the cells that the pupils explored.

Throughout the day, pupil behaviour was excellent, and they all set an extremely high standard and should be proud of the respect and responsibility that they presented. As the pupils explored the historic spaces, they met costumed characters who shared real stories from the history of the prison. The actors also re-enacted historical court cases and took the pupils through many different rooms, which included cells, the gallows, exercise yard and dungeon. All of the pupils found the experience very immersive and it helped them to develop their understanding of the crime and punishment unit that they are currently studying as part of the newly introduced Edexcel GCSE specification. The pupils will now be able to use this unique experience to enhance their outcomes in History.

Mr Williams, Teacher of History.

Welcome

We would like to introduce and welcome Miss Baxter to the King's Family who has joined us as our Restorative Practice Co-ordinator.

The role is very important within school, nurturing further our school values of Empathy, Respect, Responsibility and Forgiveness.

ROC Event

What a fantastic event at the Molineux on Thursday evening, ROC Wolves bringing people together to build a better and safer community for our young people.

Thank you for the invite!

Year 9 Challenge

Dear Parents and Carers,

Firstly, I would like to recognise how well the Year 9 students have settled back into school following the half term break. They have returned with a real focus and drive towards their studies.

Over the coming weeks all Year 9 students will take part in the year 9 Challenge with an aim to motivate and encourage pupils to engage in their learning to secure the best possible outcomes. Each week there will be different focuses for the pupils, to help encourage and support good learning habits adding a competitive element where the Year 9 Forms compete to be the "Top Form". The Form that is top of the leader board at the end of the challenge, will be rewarded.

During the first week, we are focusing on the student engagement and use of their Class Charts to track set Extended Learning and SDFL points. We are also encouraging all parents/guardians to download and use the app to keep up to date with how your child is doing in school. A copy of the access code as well as instructions on how to log into the app has been emailed to Parents and Carers.

If you require any further assistance or would like to talk further about your child's progress and attainment in school, please do contact me on the email address below:

Mrs Buckle- Head of Year 9:

k.buckle@kingswolverhampton.co.uk

I know that maintaining a strong partnership with parents and carers is vital to ensuring success for our pupils and I would like to make sure that I continue to provide you with the information needed to support your child during this time.

Yours sincerely,

Mrs Kelly Buckle

Head of Year 9.

Year 10 Parent's Evening

Dear Parents and Carers,

I would like to invite you to attend the Year 10 Parents' Evening on **Wednesday 16th November 2022, 4.30pm-7.30pm.**

This is a very important date in the school calendar as it is a critical time in Year 10 and is the opportunity to meet subject teachers to discuss your son/daughter's progress and attainment. As part of the face-to-face progress conversations, subject teachers will discuss how best pupils can prepare for their GCSE examinations. The most recent Interim Report will be available to collect and there will also be the opportunity to meet with Senior Leaders and myself.

We are keen to work closely with Parents/Carers to support and secure the best outcomes for every child in Year 10 and your attendance at the Parents' Evening is critical in ensuring we work together to ensure your child makes as much progress as possible throughout the next few months.

Please complete and return the parental response form which has been emailed to you to confirm attendance and tick which appointment slot is most suitable for you, by no later than Monday 14th November. We will share appointment times via email and provide your child with a hard copy.

The school will be offering transport by school minibus to and from Whitmore Reans. Please tick on the reply slip to book a place on the minibus and we will contact you directly about the arrangements. Please also indicate on the reply slip if you would like translator support and if so, in which language.

If you are unable to attend or have any queries, please feel free to contact me and I will arrange an appointment to meet with you.

My email is n.dyke@kingswolverhampton.co.uk

I would like to thank you for your ongoing support and look forward to meeting you.

Yours sincerely,

Mr N Dyke

Head of Year 10

Visit from Compton Care.

On Friday we welcomed Vicky and Jenny from Compton Care.

Vicky and Jenny both delivered an informative and engaging presentation on the different services Compton Hospice offer our community.

Pupils had an opportunity to ask relevant questions on care values, accountability, roles and responsibilities and multi-agency working/empowerment and person-centred care.

Health and Social Care students will be visiting Compton Hospice's simulation ward both Year 11's and 13's before Christmas.

In addition to this, HSC students (senior leadership team) will work in collaboration with Compton Hospice to raise funds for the organisation.

Mrs Bahia

Teacher for Health and Social Care & Sociology.

Making Everyday Extraordinary.

At Compton Care we partner with people to embrace life with a complex or incurable condition.

Compton Care Group Ltd,
4 Compton Road West, Wolverhampton, WV3 9DH.

Compton Care is a registered charity 512387

The King's CE School

Aspire, Believe and Achieve Together

Newsletter 9 Friday 11th November 2022

From the Chaplain....

I grew up with a quiet voice. I was mortified the day our Head Teacher interrupted our class assembly at primary school because he couldn't hear me; I felt I had let the whole class down. I was a shy child and dreaded ever having to stand up in front of people to speak. I would rarely even volunteer to answer questions in class. Teaching helped with my quiet voice, but I still didn't believe that I had anything to say that would interest people my own age or older (and most of the people in my church are older!). So for a while, when I first felt the call to train as a lay preacher, I ignored it. I was obviously mistaken.

When Moses met with God at the burning bush where he was tending his father-in-law's sheep, in the distant land to which he had fled after committing murder, he struggled to believe that God could possibly be calling him to lead a rescue mission. He wasn't a good speaker, he wasn't confident, he didn't think anyone would believe him or follow him and above all, if he went back to Egypt he was afraid he would be thrown into prison (or worse) for the murder he had committed.

But God's thoughts are not our thoughts. God often does not judge us as harshly as we judge ourselves. Where we see our own limitations, God is able to see our potential. And most importantly, God doesn't call us to do anything in our own power, but trusting in his power and his grace as he equips and enables us. All we need to do, is trust him.

As it turns out, when I really enjoy preaching. Despite never having had much imagination when it came to essay writing at school, God always provides me with words when I sit down to plan a sermon. And despite my former shyness and nervousness about public speaking, when I am preaching he fills me with a deep sense of joy and peace that is difficult to explain. As for Moses, he too would go along with God's plans and would become one of the great leaders of the Jewish faith; saving God's people from slavery, receiving God's word to them and leading them to the promised land through decades of challenges in the wilderness.

'For I know the plans I have for you,' declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future.' *Jeremiah 29:11*

This week we consider what it means for each one of us to have been created for a God-given purpose.

The Theme for Worship w.c 14th November

Created to love

1 John 4:7-16

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
